CANADIAN BUSINESSES IMPACTED BY CYBER SECURITY

Just over one in five Canadian businesses reported that they were impacted by cyber security incidents which affected their operations.

EXCESS CYBER VS MANDATORY CYBER

GET COVERED FOR MORE

The following coverages are not included as part of your mandatory insurance, but are included as part of the new stand-alone excess cyber insurance product:

- \$1M or \$2M Multimedia & Intellectual Property Liability
- \$1M or \$2M Privacy Regulatory Defense & Penalties
- \$1M or \$2M Reputational Damage
- Optional \$250K Electronic Theft, Computer Fraud & Telecommunications Fraud
- Optional \$250K Social Engineering Fraud
- \$1M or \$2M Dependent Network Interruption & Recovery

COVERED FOR HIGHER AMOUNTS

The following categories are covered under your Mandatory cyber insurance, but the CLIA stand-alone excess cyber product provides higher limits:

- Security & Privacy Liability \$1M or \$2M vs \$250K
- Network Interruption & Recovery \$1M or \$2M vs \$100K
- Event Support Expenses \$1M or \$2M vs \$100K
- Network Extortion \$1M or \$2M vs \$100K
- Bricking \$250K vs \$100K
